

Organises the interior of kitchens

Due to simple adjustment, the drawer organiser adapts to changing requirements and needs in the kitchen, as the volume of stored items constantly varies in daily use. cuisioFLEX can also be used individually, free-standing on the worktop.

1. Delivered in sets of 2, 3 or 4 frames
2. White/white translucent
3. Aluminium grey/graphite translucent
4. Dark grey/graphite translucent
5. Black/graphite translucent
