

Creates space under the oven

The modul under oven plinth drawer stores baking moulds, pans and other bulky kitchen items, but keeps them easily accessible – right under the oven. Thus, often unused space is optimally utilised.

modul under oven plinth drawer

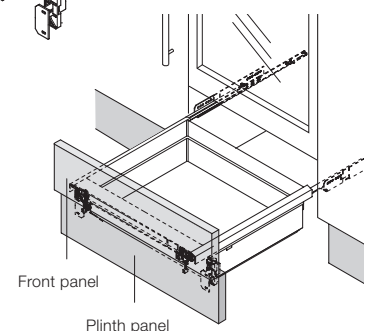

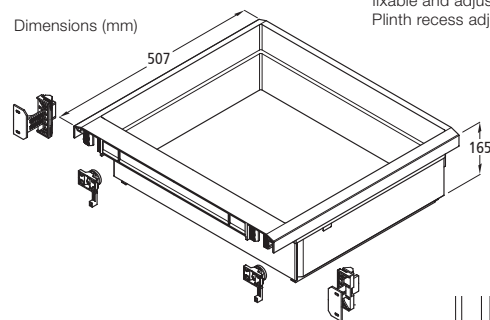

- Shapely and timeless design, compatible with all kitchen designs
- High load-carrying capacity thanks to invisible underside ribbing
- Tool-free fixing and adjustment of the front and plinth panel
- Easy to clean due to its seamless design
- Design family with pro(arc and aKIS
- Efficient utilisation of the space under the oven

Finishes

- Colours: Aluminium grey, Stone grey, Dark grey
- Runners: Hettich, Blum, Grass

1. Front and plinth panel tool-free fixable and adjustable. Plinth recess adjustable up to 45 mm.
