

Fast and easy to integrate

The drawer system for base cabinets is made of solid plastic. As it is one-piece moulded, there is no need to assemble the drawer sides and base.

modul drawer system

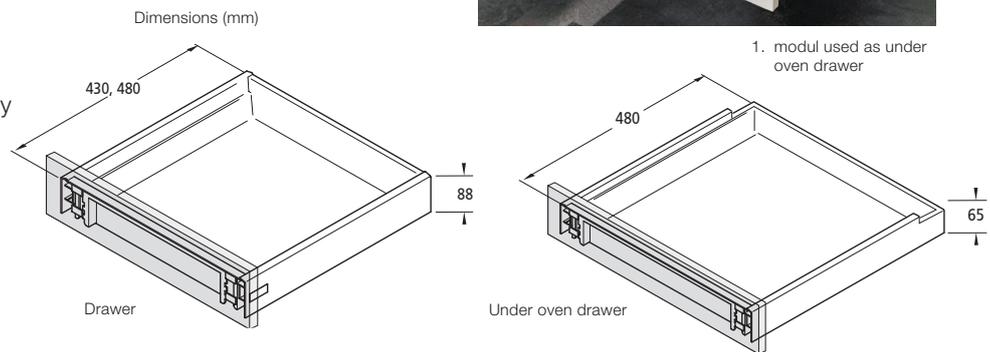

- Classic seamless design, easy to clean
- Easy assembly by means of adapters for Indaux
- Invisible front fixing with integrated adjustment for the lateral gaps
- Special height available, allowing use as under oven drawer

Finishes

- Colours: White, Aluminium grey
- Depth: 430 mm, 480 mm
- Runner: Indaux

1. modul used as under oven drawer
